- **Meeting agenda and minutes**

The agenda for club meetings will be published on the club website hopefully by the Sunday before the meeting and emailed to you. The minutes will be available on the website shortly after the meeting, replacing the agenda. Those members without internet access can view a paper copy of the last months minutes prior to the meeting starting.

- **Members email addresses & personal information**

I have 4 people without an email address, Louis Farncourt, Gordon Gouge, David Taylor and Brian Thomson. If anyone knows their addresses please let me know as CAA information will be emailed directly. Also if anyone has changed their email address or other information please let me know.

- **CAA operator ID information**

According to the BMFA the CAA will be emailing your Operator ID directly to you in early February and we are required to have this on models by 23<sup>rd</sup> Feb at the latest. This number may change each year. Don't make it permanent on your model.

- **BMFA rewards card information**

I've followed up the lack of rewards cards, the BMFA has said they should be posted to you from 20<sup>th</sup> January. BMFA does not send them, they are dealt with by the rewards company. I'll give them a few weeks and follow up again if necessary.

- **Late payment of fees**

I'm spending far more time than I should dealing with the BMFA due to late payment of fees. This month will be the third set of admin I will have done. With the prospect of more yet to come. PLEASE help by paying promptly.

- **Lapsed BMFA memberships**

The following 4 people no longer have BMFA membership and so no insurance cover and should not be flying at our field until this is rectified. Kevin Downes, Gordon Gouge and Robert Pegg.  
Brian Hodgson has said he is giving up and won't be rejoining.

- **Hurworth Bring and Buy**

Takes place on Sunday morning the 16<sup>th</sup> February - 9.30 – 12.00. This is an excellent opportunity to off-load your crap and buy someone else's. :o)
