### 6. Welfare officers report

### 7. BMFA delegate's report

### 8. Club business

- **£25 club fees to be collected this month** – Those who still have not paid please get the money in ASAP as we need to pay the farmer by the end of April. We have 4 less members this year so are £100 down already.
- **Current membership** – We currently have 24 paid up BMFA members.
- **Reward cards** – I'm sure the rewards cards can be used to rake back in quite a lot of money but it doesn't seem quite as easy as we were told. No surprise there then.
- **The gate at the field** – Paul had an incident with the gate at the field with it coming off and nearly hitting him when he was opening it. Please take care if you're using it. He's seen the farmer and been told there is a new one on order. I'll chase that up next month when I go to pay the fees.
- **Grass cutting** – Paul hopes to start the grass cutting when the field dries out, maybe the end of this month or some time next month.
- **CAA Operator ID Reminder** – All models larger than 250g flown at the club field should now have the operator ID applied to them.
