Total of £1210.55

6. Welfare officers report

The Welfare officer was absent so nothing to report.

7. BMFA delegate's report

8. Club business

- HMFC AGM 17th November 2021

- BMFA AGM 20th November 2021

The club finances are quite healthy at the moment so I can see no reason for raising the £25 club fee this year

As the BMFA AGM falls just after our AGM we won't know what the BMFA / CAA fees for 2022 are going to be. This won't affect those who pay their own BMFA / CAA fees directly.

I'll email everyone once we know what the 2022 fees are then payments can take place either directly into the club bank account or to me either before the December meeting or at it. There is no need to come armed with money at the November AGM next month unless you want to as I most likely won't know how much you need to pay.

9. AOB

- The cows are still in the field so watch where you're walking and landing.
- We have reports of a broken gate post at the field so please take extra care when opening the gate.
- We welcomed prospective new member Andraś Gal at the meeting and hope to see him at the flying field soon.
