## 9. AOB

**Indoor Flying** - For those interested the next Peterlee Indoor session is 29<sup>th</sup> January. Please check the Peterlee club's website for confirmation.

**Change of Meeting day and dates** - The NALGO Club management are obviously struggling to keep the place running and they would like to be closed on Wednesday's and as we're the only ones using Wednesday's they have asked us if we can change to meet on the 3<sup>rd</sup> Thursday of each month instead.

This was put to the members present and with no objections that change will take place starting with next months meeting on Thursday 17<sup>th</sup> February.

I will inform members by email and adjust the dates on the Club website. In most cases it will be the Thursday after the Wednesday but there are a couple of months where the 1<sup>st</sup> of the month falls on a Thursday which brings the meeting earlier to the week before.

Please check the dates. Don't get caught out :o)

The meeting closed at 8.25pm
