8. Club business

• Flying Field Update

The condition of the flying strip is improving thanks to the work Paul and Mike have put in. There are still a few holes to fill in so we will be organising another working party to soon. There is a new aerial photo of it on the club website.

• BMFA Achievement scheme

Anyone wanting to take the BMFA A or B competency certificate please see Mike or Bob.

• Club Merchandise

We have club hats, caps & sun hats for sale after the meeting.

• Events on the club website

I've added a range of events to the club website that might be of interest to members. The next local one is the re-organised LMA event at Teesside Club's Redmarshall field 22nd & 23rd June which I believe is £10 entry.

• Next Months Activities For the July meeting

If you have a small drone or mini heli (sort of tiny and hand sized) bring them along to the meeting and we will set up an obstacle course and do some timed runs around the course.

9. AOB

Timely Reminder

Having sliced my finger open on a prop a few weeks ago and I did have a first aid kit in the car just a timely reminder to make sure you have one with you when you go up the field ... just in case its needed.

The Polaris Chuckie Comp

Kev distributed the chuckie glider kit at Christmas so we finally get to gave a go with them. Get them built and ready for testing for the weekend of Sat/Sun 6th & 7th July. We'll pick the best choice of day a bit nearer the time, weather dependant, and let you know when it's taking place.
