### • Flying Field Update

The condition of the flying strip is improving thanks to the work Paul and Mike have put in. We were up there this afternoon and the farmers grass still isn't cut but it doesn't look too far away from that, maybe in the next few weeks, depending on the weather.

### • BMFA Achievement scheme

Anyone wanting to take the BMFA A or B competency certificate please see Mike or Bob.

### • Club Merchandise

We have club hats, caps & sun hats for sale after the meeting.

### • Events on the club website

Any local events have been added to the club web site. The next event is the Pontefract club's (PANDA's) Retro flying day this Sunday 21<sup>st</sup> July

### • Next Months Activities

Nothing planned as yet

## 9. AOB

### The Polaris Chuckie Comp

Despite having 2 sets of dates we still haven't managed to hold this comp due to the weather. Due to various peoples commitments the next available weekend we will try for is 24<sup>th</sup> or 25<sup>th</sup> August.

Meeting closed at 8.20

Following the meeting we had a mini drone / heli timed obstacle course for a bit of fun. We had some foam obstacles set up with the drones doing 2 timed laps in and around them. We had 5 taking part (everyone who was there) and a good time was had by all. Even the drones survived!
